

Directions to The Old Court, Temple Cloud from Bath

Leave Bath on A4, or on A36 ringroad from behind the station, direction Bristol.

After leaving the built up area, at the end of a dual carriageway section, you will reach a roundabout. Take A39/A368 signed for Wells and Weston super Mare.

After passing through the village of Marksbury, at a Shell gas station, the A39 forks to the left and A368 goes straight on (stay straight if going to the restaurant Carpenter's Arms and when you reach the roundabout again straight. Take your first right and go down the lane - CA is on the left/park opposite is easiest) To get home retrace your steps and at roundabout, you will go 3/4 way round and take sign for Clutton. We are the village just past Clutton. Watch out for 30 mph CAMERA in our village. As you come to Temple Inn pub on left and Texaco on the right, signal left and turn after the pub. Immediate right into our road and into the gate.

If you aren't going to the restaurant direct from Bath you will take the left fork which will continue with A39, through Farmborough and High Littleton, until it reaches a T junction with A37 at Hallatrow.

Turn right, signed Bristol, onto A37. Follow A37 up the hill into Temple Cloud.

At the top of the hill, as you approach a set of pedestrian traffic lights, you will see a Texaco gas station on the left and opposite it the Temple Inn public house on your right. Temple Inn Lane turns right immediately before the pub.

We are the big building surrounded by a stone wall opposite the pub on Temple Inn Lane. Turn into Temple Inn Lane and fork right immediately onto the access road across the cattle grid and turn into our gates.

(Should you miss the left turn on the A39, do not worry. A368 crosses A37 at a roundabout at Chelwood. In this case, turn left onto A37 and reverse the instructions in the last two paragraphs above. The journey time by either route is about the same.)
