

Directions to the Old Court, Temple Cloud, from London via M3/A303.

Approximate journey length at quiet times: 2 hours 30 minutes from West London but allow longer at times of heavy traffic.

M3 to Junction 8 (A303, direction Andover). (Watch out for Stonehenge on your right shortly after the dual carriageway ends at Countess).

As you approach Stonehenge, fork right on A344, becomes A360, signed Devizes. After about three miles, pass through Shrewton and turn left on B390 to Chitterne. Stay on B390 through Chitterne and turn right when you reach A36, signed Bath and Bristol, at Heytesbury.

(A little simpler but less scenic and about the same travel time, stay on A303 and join A36 for Bath at Wylde, Deptford Interchange).

Follow A36 past Warminster.

Turn left on A362, signed Frome and Longleat. At Frome follow A362 when it turns off to the right and goes into the town.

Continue with A362 for Radstock.

(On Saturdays and market days Frome may be busy. As an alternative of about the same travel time, stay on A36 and do not join A362. At Woolverton turn left on B3110 to Norton St. Philip. At Norton St. Philip turn left on A366 signed Radstock and Wells. At intersection with A362 turn right for Radstock.)

Follow A362 through Radstock and Midsomer Norton, direction Bristol (the road is signed to the right at the mini-roundabout as you enter Midsomer Norton but you reach the same place if you go straight on and then follow Bristol (A362)), until it reaches a T junction with A37.

Turn right, signed Bristol, onto A37. Follow A37 up the hill to Temple Cloud.

As you approach a set of pedestrian traffic lights, you will see a Texaco gas station on the left and opposite it the Temple Inn public house on your right. Temple Inn Lane turns right immediately before the pub.

We are the big building surrounded by a stone wall opposite the pub on Temple Inn Lane. Turn into Temple Inn Lane and fork right immediately onto the access road across the cattle grid and turn into our gates.
